

What a fantastic first week back. The children have all settled well into their new classes already and are all eager to start their new year.

A huge well done to our Reception class who have made a great start. The children have come into school with big smiles. It is lovely to meet all our new families and for some children with older brothers and sisters, to feel they are finally here.

Please, remember anyone can use the Tennis court gate for drop off and pick up. We encourage older siblings to come through the infant gate and walk through school to their classroom. I have been made aware of growing congestion on the pavement on School Lane outside the gate; as of Monday, the infant gate will be unlocked and you may wait with your child on the Y1 playground until a member of staff comes out to greet and open classroom doors. **Please note, all children must be supervised at all times by their adult until they are handed over to a member of staff at 8.40am.**
