

Dear Parents and Carers,

**Are you navigating Special Educational Needs and/or Disabilities (SEND) with your child in Cheshire West & Chester?**

**We want to hear from you about your experiences and views on education, health and social services - to help you with your SEND journey.**

### **Who We Are:**

We are parents and carers supporting children with SEND.  
We are volunteers, united in our mission to ensure every child thrives, regardless of diagnosis.

### **Our Mission:**

**Amplify Voices:** Advocating for your child's needs within Education, Health and Social Services.

**Partnership:** Collaborating with services to fill support gaps.

**Expert Advice:** Providing guidance and resources, no diagnosis needed.

**Continuous Improvement:** Working together to improve services for all children with SEND.

### **Independence:**

Please note: We are independent, not affiliated with the council.  
Which helps us truly represent your lived experiences.

**We need your voice** to create an inclusive and supportive environment for all children with SEND in Cheshire West & Chester!
